The Boards of the Tuscarora Wayne Group of Companies Welcome Insurance Industry Veteran

The Tuscarora Wayne Group of Companies welcomes to its boards of directors a man who has served the insurance industry for almost four decades, much of it in a leadership role. Scott T. Burgess joins Donald E. Abrey, David E. Boedker, Jay W. Chadwick, Milton Garrison, John J. Griffin, Leo F. Hons, S. Bruce Kurtz, Steven W. Moore, Lloyd N. Nosker, Rollin P. Rissinger, and Randy B. Williams on the boards of the Tuscarora Wayne Mutual Group, Inc., Susquehanna Capital Corp., Tuscarora Wayne Insurance Company, Keystone National Insurance Company, and the Lebanon Valley Insurance Company, all headquartered in Wyalusing, Pennsylvania.

During an exceptional career Mr. Burgess first became associated with Tuscarora Wayne (TW) during his more than two decades with Munich Reinsurance America, Inc., TW's chief reinsurer, which he joined in 1980 when it was American Reinsurance Company. Mr. Burgess, a New Jersey resident, capped his career in the Philadelphia office of Willis Group, another global reinsurance specialist, as treaty producer and senior vice president, starting in 2003 until his recent retirement in 2011.

"We are pleased to welcome Scott aboard as Tuscarora Wayne continues to grow and thrive, and we expect his expertise and experience to help us achieve our prime mission of serving the underserved," said John J. Griffin, chairman of Tuscarora Wayne, in announcing Mr. Burgess's appointment.

Mr. Burgess entered the insurance arena in 1972 with Chubb & Son, Inc., where he held various underwriting and management positions out of their offices in New Jersey, Long Island and Minnesota. His formal education is also impressive, starting with an appointment to the U.S. Air Force Academy in Colorado Springs, CO and then a Bachelor of Science Degree in Marketing from the University of Maine

He may be a recent retiree as an insurance professional, but Mr. Burgess, a licensed private pilot, continues to serve as Chairman of the Board for Chiropractic Village in Scottsdale, AZ. Aside from his love of flying, he is an avid golfer and is a member of the Spring Mill Country Club in Ivyland, PA, in picturesque Bucks County.

Mr. Burgess and his wife, Gail, reside in New Jersey, not far from the Pennsylvania border, and have two children, Kerri and Colin; a daughter-in-law, Christy; and two granddaughters, Taylor and Kaitlyn.
